The East Anstey School Newsletter

Autumn Term 2020 - Week 4

2nd October 2020

Latest Information

In Class this Week

With Harvest just around the corner, both classes have been working hard on their Harvest Art, and preparing for the forthcoming festival.

The Juniors have been looking at Slugs & Snails in their outdoor learning and when back indoors, have been working on spelling patterns and some really big numbers in maths!

The Infants have been writing a story called 'A Dog's Day' and working on number bonds to 10 and 20. They have also been looking at portrait art.

The children in nursery have been making hedgehogs for our Autumn display.

Harvest Time

We are rapidly approaching our Harvest Festival. The event will be held virtually this year with each class bubble joining us on TEAMS. It would be great to see you there.

East Anstey Primary School (Virtual) Harvest Festival 2020, 2.00pm, Friday 9th October 2020

Hosted on TEAMS - Please log in using your child's account to attend. Invitations will be sent out on Wednesday.

Current Arrangements

Please could we ask that parents:

- continue to observe social distancing whilst dropping off and picking up
- consider wearing face coverings as appropriate for pick up and drop off
- are mindful of our neighbours and the community when parking

There is no requirement for children travelling on the school bus to wear face coverings, but they are welcome to do so if desired.

Thank you all for your continued support with our school arrangements.

Film Permissions

We would like to show some films during certain lessons and wet breaks etc. We need your permissions to do this (where the film is rated as PG). Watch out for an email - coming home next week.

Flu Vaccination Reminder

As you may remember we sent out details in the Summer of the upcoming Flu vaccine, which is booked in school for Friday 11th December. We have recently received an email from Virgin Care Services stating that letters are being sent home to parents from NHS England regarding the flu vaccine. Virgin Care Services are advising that, as long as you have given your consent online for your child/ren, then they will be vaccinated in school as planned. Please see a copy of the letter below, containing the link needed to give consent, should you still need to do so. Please let the office know if you need any further information regarding this.

Dear Parents/guardians

Your child is due to be in Reception to Year 6 from September 2020 and they are therefore eligible for a Free Nasal Childhood Flu Vaccination.

It is anticipated that this will be delivered in schools between October 2020 to December 2020, this will be administered adhering to all up to date Infection Control, PPE and social distancing guidance at the time.

Flu vaccination is one of most effective interventions we have to reduce pressure on the health and social care system which is going to be more important than ever this year. For this reason, it is essential we deliver the vaccine to as many children as possible to prevent the spread of infection to those most at risk in society.

In light of the above we are expecting demand to be high and therefore we urge you to follow the below link to consent to your child's vaccination now. You will also find answers to your FAQ's on this link.

What's On

Although many of our school events will not be able to be held in our normal way, we are doing our best to involve families as much as possible with our usual termly activities.

A list of proposed dates for some virtual events is shown below - please make sure your child's TEAMs access is still working as you will need that to access the online events. We are also increasing the number of communications we send home via TEAMs including messages, homework etc., so it is becoming increasingly important that you have access. Please contact us as a matter of urgency if you are having any difficulty.

Free virtual training for parents - please share

Do you have parents in your setting whose children have language and literacy difficulties?

Developmental Language Disorder (DLD) affects 7-10% of children, causing them to struggle in their learning of oral language as well as impacting on their literacy development.

In recognition of National Developmental Language Disorder Awareness Day (DLD), an advisory teacher and Speech and Language Therapist from Babcock LDP's Communication and Interaction Team are providing a virtual, informal session for parents on **14th October 20** starting at 1.30 until 3pm, to highlight more about DLD, and language needs in general, including how to support children at home and how to access further information.

For more information, please click on the flyer below - please feel free to print out and display in your setting or add to a newsletter. Alternatively places can be booked via Sue.vanstone@babcockinternational.com
