

UPDATE

TRANSITION DAY

The first of these took place on Monday and everyone enjoyed being in their new classes, with the new Reception children settling in beautifully. We welcomed Mrs Jenny Scandrett into Junior Class and look forward to seeing her again on the next transition day, 28th June.

2-11 CONSULTATION

Formal letters from DCC regarding the consultation to change our age range were sent home this week. A separate letter giving more details on reasons behind the proposal and what we hope the change will bring to the schools accompanies this newsletter. If you have any queries, do contact us.

UNIFORM ORDER

Last call for uniform orders please. The order will be placed on Monday for delivery before the end of term.

WHAT A WEEK!

Our older children have had a very active week, with sporting activities galore: Monday saw Year 6 complete the Junior Lifeguard course at Putsborough and they all did brilliantly.

On Tuesday, Frank, Hugo and Finn represented the school at the regional heats of the 'Fly to the Line' competition in Bristol. From glider designs started in Engineering Club with Miss Rofer, the teams had to modify and improve their ideas to increase their flight distances.

On Tuesday, Frank, Hugo and Finn represented the school at the regional heats of the 'Fly to the Line' competition in Bristol. From glider designs started in Engineering Club with Miss Rofer, the teams had to modify and improve their ideas to increase their flight distances.

Out of 16 teams from the South West, our budding flight engineers creditably finished mid-table. Well done to them all, and special thanks to Hannah Sparks for transporting and accompanying the boys.

On Thursday, Charlotte, Harry, James and Evie represented Anstey at an Aquathon at Torrington. This involved swimming a set distance, followed immediately by a cross-country run. Our first excursion into this event was very successful if very tiring - well done to them all, and thanks to Julian Thorne for transporting and supporting.

Finally, today saw Year 5 go to Croyde for the annual Oceanfest school's day with beach competitions and races, and Year 6 went to Barnstaple for the Junior Lifeskills event. Thanks to Elspeth and Sarah Milne for assisting with transport.

LONDON RESIDENTIAL

Next week is the Year 6 residential trip to London on Wednesday & Thursday. The two days are packed with activities - we wish them and the accompanying staff a wonderful trip and look forward to hearing all about it on their return.

Charity family fun day at NDDH (See overleaf)

A charity family fun day to celebrate the 70th birthday of the NHS will be held at North Devon District Hospital on **Sunday 1 July 2018** from 10am-4pm.

Tours will include a teddy bear tour for children – are there any poorly teddies out there? If teddy has a broken leg, bring him/her along and see what happens to make teddy better. Teddy will take a trip to the emergency department and will be looked after by the NHS, including a plaster cast you can take home. Teddy will finish the tour good as new and be given a badge for being so brave!

PROVISIONAL FUTURE DATES & EVENTS
