

Summer Term Week 3 – Year 1	East Anstey Home Learning suggestions – Please engage in as much or as little as you are able.
Hello! Keep in touch...	Class dojo – Mrs Yarney will be online every day to answer your questions – chat or look at what you have been doing and learning. Please try and contact us at least weekly so that we can check everyone is safe and well. Thank you.
Week 1 – Reading continue	<p>reading from school books or levelled online ebooks from Oxford Owls: Oxfordowl.co.uk/for-home/find-a-book/library-page/</p> <p>A fantastic library of levelled books for your children to read. Filter by level and then letters and sounds phase:</p> <p>Reception = phase 2 or 3 Year one = phase 5 Year two = phase 5 and 6</p>
Phonics Phase 5	<p>Online: https://www.teachyourmonstertoread.com/accounts/sign_in</p> <p>You create a log in for your child and then work through the levels – the best thing is for all children to work through stage one: phase 2 phonics and then onto stage two and three. Older children will find the early stages easy but it will be good revision and then they will get onto the harder stages.</p> <ul style="list-style-type: none"> • https://www.bbc.co.uk/cbeebies/grownups/the-alphablocks-guide-to-phonics - Alphablocks videos - great for going over phonics • https://www.bbc.co.uk/cbeebies/shows/alphablocks
spellings	<p>– focus on Common Exception words - see attached list below– Children can learn these through : look cover write and check method</p> <ul style="list-style-type: none"> - Writing over and over in different colours (rainbow writing) - Writing in the air - Pyramid writing <div style="display: inline-block; vertical-align: middle; text-align: center;"> P Py Pyr Pyra Pyram Pyramid </div> - Mr Whoops spellings <p>(see sheet below at bottom)</p>
Writing	https://www.bbc.co.uk/teach/class-clips-video/english-ks1-jack-and-the-beanstalk-home/zff42sg

Jack and
the
Beanstalk

Jack and the Beanstalk from the BBC – **Watch episodes 1-4**

- If you found some magic beans what would you like them to grow into? Draw and describe what amazing thing might grow from some magic beans. *Perhaps a magical flower grows where each petal grants wishes, or an enormous tree that is so big you can build a house in it. Perhaps a huge Dandelion grows - and when you break off the puffy seed head you can float around the world! Let your imagination run wild.*
- *If you were dreaming about your favourite plate of food what would it be? Draw a picture and describe your favourite meal like Jack. How delicious can you make your description? Use a range of different describing words.*

Watch episodes 5-8

- Draw or make a model of a magical land that may be at the top of the beanstalk – *would there be a castle, strange plants or creatures? Send me picture of your ideas. Describe it to someone in your family.*

Watch episodes 9-14

- Describe the giant? Remember to use all of your senses: what does he look like? Sound like? Move like? Maybe he smells? Draw a picture of him or paint a picture. I'd love to see a photo.
- Can you draw a story map of the whole story
- Don't forget to add some labels. Retell the story to someone in your family.

Maths

Doubles
and halves

On line resources:

Well done to everybody who logged on last week. I can see how hard you are working.

<https://whiterosemaths.com/homelearning/year-1/>

There are several weeks worth of work here – a teaching video and a worksheet;

Please continue with Summer term week 1. One activity per day.

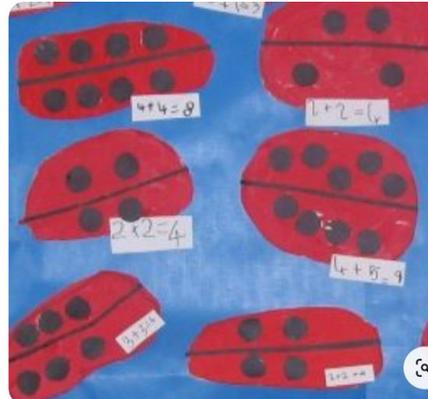

Mathletics: www.mathletics.com/uk - A good warm up website and place to practise skills – I can monitor progress from home and update work. If you have lost your child's login details let me know.

<https://www.bbc.co.uk/bitesize/dailylessons> - BBC bitesize are doing daily lessons for each year group – have a look if you'd like to do something different or a bit extra.

Maths

-If you can't access online resources or just want some other ideas!

- **Dominoes:** If you have a set of dominoes at home, can you find all of the doubles? – what number sentences can you make?
- <https://www.topmarks.co.uk/Flash.aspx?f=dartboarddoublesandhalves>

- **Printing Doubles** – fold some paper in half – paint 1 spot on one side of the paper, then fold over and print by pressing down. When you open up your paper how many spots do you have = 2 double 1 is 2. Try again with 2 spots on one side, then 3, then 4... Can you find all the doubles up to 10?
- **Double ladybirds** paint some ladybirds with 2 wings can you put different numbers of spots on one wing and then add the same on the other wing – you have doubled the spots. Write the number sentence underneath.
- **Practise number bonds to 20 – addition and subtraction:** Use things from home for counting (pasta, coins, lego, bricks etc) and practise adding and subtracting to 20. How fast can you go? Write 10 number sentences, then try them again and see if you can remember the answers.
- **Practise your 2x, 5x, 10x and 3x tables.**

Science

Plants

<https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/zxxsyrd>

- Watch the bbc video – what does a plant need to grow?
- Draw a picture of a plant in some soil - including the roots – label the parts of the plant remembering what we learned last week. Can you list underneath all of the things that a plant needs to stay alive? If you grew a seed last week, let me know how it is going. Can you send in a picture?
- <https://www.youtube.com/watch?v= RXVhiUnTA8>
Watch the video of Ivy trying to keep her plants alive.

<p>Other ideas</p>	<ul style="list-style-type: none"> • When you are out for your daily walk and exercise have a go at this scavenger hunt. Let us all know what you find. (Remember: Don't go anywhere special or very far from home – stay safe !) • Have a go at some of the Spring Mindfulness colouring – A nice calming activity if your having a frazzled day. • Egg box craft: Using the playdough from week 1 and some old egg boxes can you make a creature that you have seen outside on your walks or in your garden. Have some fun! Who can you make? 
<p>PE – keeping fit</p>	<ul style="list-style-type: none"> • Take part in some online fitness: • Joe Wicks • Children's Yoga • Just Dance : on youtube • Cbeebies Boogie Beebies https://www.bbc.co.uk/programmes/b006mvsc • Have a look at the uploaded sports pack from Miss Nicholls.
<p>Online Resources</p>	<ul style="list-style-type: none"> • www.twinkl.co.uk are allowing parents to use their website just go on and go to school closure parents hub –Lots of resources. • Topmarks website: lots of games to play https://www.topmarks.co.uk/Search.aspx?Subject=16&AgeGroup=2 • BBC bitesize: maths games - Look out for the video clips further down on measures. https://www.bbc.co.uk/bitesize/subjects/zjxhfg8 • https://www.bbc.co.uk/cbeebies/shows/numberblocks • https://www.mathschase.com/all-games/ <p><i>Check out the Literacy shed:</i></p> <ul style="list-style-type: none"> • https://www.literacyshed.com/home.html scroll down to find some wonderful films to inspire stories.
