

What is PE Premium Funding?

“The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.” DFE 2016

Overview of School PE Premium 18-19

How we use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, schools could use their funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

Spending for 18-19 Academic Year

PE funding for last academic year was planned to be spent in two main target areas. These included the improving the quality and range of PE and sport provision and to create a lasting PE funding legacy for future pupils at the school through providing improved resources and facilities.

Objectives – What we aimed to achieve:

1. Improve the quality and range of PE and Sport Provision on offer

It was our aim that during the academic year 2018-19 we would use PE funding to:

- Create and train teams for a wide range of sports (football, netball, rugby)
- Improve the core PE delivery and provision offer through a wider range of delivery across all age ranges (Pro-coaching additional input)
- Extend extra-curricular offer through additional clubs
- Raise the profile of PE and sport through additional staff input (coordinator time)

2. Create a lasting legacy of high quality PE and Sport Provision

It was our aim that during the academic year 2018-19 we would use PE funding to:

- Upgrade Resources and Facilities to meet higher PE and Sports standards
- Purchase resources and facilities for New Sports / PE (tennis, volleyball,

Spending – How did we use the funding?

- Pro-coaching external PE providers
- Coordinator (GS) staff provision
- Facilities / Resources – Sports equipment

Impact – What difference did the funding make?

1. Improve the quality and range of PE and Sport Provision on offer

It was our aim that during the academic year 2018-19 we would use PE funding to:

- More sports teams represented East Anstey at local area level tournaments. Teams represented in a wide range of sports. Some good successes at tournaments.
- Pro-coaching impact has successfully improved existing school PE provision through extra and additional sports being offered as part of the core offer.
- Pro-coaching extended club offer across the year with good participation and take up.
- School Games Bronze Mark awarded
- Dedicated coordinator time allocated (school now working towards school games mark Silver level – clear target to achieve next year)

2. Create a lasting legacy of high quality PE and Sport Provision

It was our aim that during the academic year 2018-19 we would use PE funding to:

- Funding used to create new upgraded storage facilities
- Excellent sports lines and markings in place
- Wider range of sports can be delivered (and are now taking place).
