

UPDATE

Welcome back to the Summer Term. A full newsletter will be coming home shortly but for now a few dates for your diaries.

News and Current Events

AFTER-SCHOOL CLUBS

As this half term is a short one we will be keeping after school clubs as for last term, with a change for the second half of term. Study Club will run on Tuesdays (3.30-4.15pm), Atalia will continue with dance Club on Wednesdays and there will be two cooking club sessions with the first on Thursday 8th May. Other than cooking all clubs will begin next week. We will assume that club membership will remain the same but if your child would like to stop or start a club (other than cooking) please contact the office. Mrs Attwood will be running a gardening club on Wednesday lunchtimes. If your child would like to attend please return the slip below to the office. It would be helpful if they could bring wellies to this club.

SCHOOL PHOTOS

The photographer will be with us on Tuesday 29th April for individual, family and group photos. If you have any younger siblings that you would also like included please come into school first thing and we will ensure these photos are taken first.

MUSIC LESSONS

Suzanne Davies will begin music lessons again on Monday 28th April and will be running 8 sessions so the total cost for the term will be £80. Places are still available for Violin and Piano/Keyboard - please contact the office for more information.

SCHOOL DINNERS

Just a reminder that school dinners are now £2.20 per day. We are in the process of changing our on-line payment system and hope to have this available for use in the next few weeks. For now we would be grateful if parents could stop using the School Money system. Any credits you may have in the system will be carried forward to the new one. Many thanks.

PTFA NEWS

There will be a meeting of the PTFA at Sarah Milne's house, Middle Chilcott Farm, on Monday 28th April at 7.30pm. All are welcome to attend - for more details please contact the office.
