Sports for school Sponsorship Money

We are counting down the days to our visit from GB paralympian Dan James. We welcome Dan to our school on Wednesday 1st February where he will be sharing his experiences as a goalkeeper for the GB blind football team.

Our children then get the opportunity to show off their sporting prowess in a sponsored circuit training session. The challenge will be to complete as many repetitions of each exercise as they can in a set duration of time.

We are asking that the children ask for sponsors for this event to help raise money for new sporting equipment for their school. If you require another sponsor form please speak to Mr Scandrett or the school office. All sponsorship money is to be brought into school by the 8th February

Thank you in advance for your support with this fantastic sporting opportunity.
