A BUSY WEEK!

Another busy school week. Sports Day was a great success, with the weather being kind to us and a great turn-out from families - we hope everyone enjoyed themselves and well done to all the children for their fantastic efforts. We also had Open Afternoon which was again well attended. Finally, on Friday Years 5 & 6 attended Oceanfest - more on that next week. The coming weeks are no less busy with various trips and activities so do look out for lots of letters coming home.

SCHOOL FETE

We are beginning to prepare for our leavers event and fete. A request from the PTFA for draw prizes for the raffle; these can be given to PTFA members or sent in to the office.

THE LONDON REPORT

The inaugural trip to London for the year 6s was a fantastic success. On disembarking at Paddington and after a brief hello to Paddington Bear the adventure began. The group took in as many of London's sights, sounds and smells as possible in two days. Lunch was eaten at Hyde Park and then it was straight on to Drury Lane for a matinee performance of Charlie and the Chocolate Factory. The urban experience continued with a wander around the Apple Market in Covent Garden, soaking up the atmosphere and the variety of street performances there. After a fuel stop at Pizza Express the group then took in the lights and sights of night-time London in China Town before travelling on the London Underground back to the hostel.

The second day started with a bang with a flight on the London Eye and a panoramic view of all our capital city has to offer. Sightseeing followed with the Palace of Westminster, lunch in St James Park, and a wander along The Mall to Buckingham Palace. The children then took charge of navigation using maps and phones to get to The Natural History Museum and The Science Museum.

Then it was time to really experience the busyness of commuter London with the journey back from Exhibition Road to Paddington station for the train home. The children had great fun, were sensible and mature throughout and hopefully agree that it was an amazing experience for all.

WELL DONE EVERYONE!
