SUMMER READING CHALLENGE

The Summer Reading Challenge takes place every year during the summer holidays. We welcomed librarian Jane Petch into school this week, to introduce the challenge to the children. The theme is 'Space' and further details can be found at: <https://summerreadingchallenge.org.uk/>

UNIFORM

We will soon be placing an order for uniform for anyone wanting items for September. Please contact the office by next Friday (12th July) if you would like to add to the order. The PTA are also going to be holding a second hand uniform stall at the leavers' assembly at the end of term. Any donations would be gratefully received, particularly boys items and smaller sizes

LONDON RESIDENTIAL - YEAR 6

Some Year 6 children from both schools have been enjoying life in London over the last couple of days. Reports from the capital say that they are having a great time - very hot & tired but enjoying the sights and the experiences. Photographs will be posted on facebook and the school blog so do take a look.

GARDEN SHOW

The Anstey Garden Show will be held in August again this year, and entry forms were sent home this week. Mrs Vereker will be coming in to school soon to explain more about the various competitions.

SUNSCREEN

Now the warmer weather finally seems to have arrived, please make sure your child is wearing sunscreen and brings a hat into school. We do hold some sunscreen in school for emergency 'topping up', and the children apply this themselves under adult supervision. For our youngest children, staff may assist with application. If you would like your child to have their own sunscreen in school, please send in a labelled supply. If there is a reason you do not want your child(ren) to have sunscreen applied, please let us know.

SOUTH MOLTON MUSIC

Some of our children are taking part in the South Molton Schools 'Carnival of Music' next Wednesday evening. Tickets are now on sale at <https://www.ticketsource.co.uk/carnivalofmusic/t-doaply> or available on the door for £5. Under 16's are free. Doors open at 6.30pm, with the performance starting at 7.00pm. Seating is very limited at the venue and is only provided for the performers, so all tickets holders will be required to bring their own picnic chairs or similar in the South Molton tradition! Hopefully some of you can go along and support the children whilst enjoying a great night of singing.

BUSINESS WEEK & OPEN AFTERNOON

We hope plenty of you can come into school next Friday afternoon for the Juniors Class Business Week and our Open Afternoon. Groups of children have used a small 'start up' fund to begin a business with the aim of raising additional funds. They have had to plan, design, organise and advertise their business. Do come along and see their efforts - bring some cash! There will also be an opportunity to see what we have been up to in class throughout the term.

FOOTBALL MATCH

Some of our Year 2/3 children played a friendly match against Bishops Nympton on Thursday. In very hot conditions, both sides played really well in what was a very evenly balance match. Final score was 3-2 to Anstey; well done to both teams for all of their efforts.
