

UPDATE

WB: Monday 5th June 2017

SCHOOL ACCOUNTS

At this busy time of year, please can school accounts be kept up to date as far as possible? Payments can be made in all the usual ways (cheque to DCC, cash or via the Tucasi online system). Thank you.

UNIFORM

Following the letter that was sent home before half term, we have been asked for clarification of the uniform policy. A further letter is being sent home early next week explaining the position more clearly. The main point to note is that we do not expect or want anyone to replace current uniform that is still perfectly useable. Any changes will be gradual as current stocks are outgrown or outworn. Please feel free to contact us if you require further information.

SWIMMING

Swimming begins next Tuesday (13th June). Please remember swimming kit and to send a note requesting the use of goggles if your child needs to wear them. Please also make sure we have your permission form if you have not yet returned it. Thank you.

MOVE UP DAYS

These have now been confirmed as Monday 19th June and Thursday 29th June. Year 6 will visit South Molton Community College on these days and all other years will move up; our new starters will also be joining us. Letters with arrangements for those days will be sent home next week.

QUESTIONNAIRE

Please send back your questionnaire regarding extended provision even if it is just to say that you don't require it. Spare copies are available for those who have lost the original. Please let us have your replies by the end of next week so that decisions on provision can be made. Thank you.

PHOTOS

Proofs of the whole school photo were sent home before half term. Please order via the office or online as you did for the individuals earlier in the year and ensure all requests are in school by Wednesday of next week (14th June). After this date, orders will have to be placed separately and will incur additional carriage charges.

SCOOL MILK

The school milk provider Cool Milk supplies a free carton of milk to all children in pre-school and Reception until they reach their 5th birthday. For those over 5, milk can be purchased through the company by parents if they wish their child to continue having milk at break time. The school can also buy milk on behalf of any children in receipt of free school meals. If any parents would like further details of how to ensure their child(ren) continue to receive milk, please contact the office.

SPELLATHON

Thank you to those families who have sent in their sponsorship money. Please could any remaining monies be sent in next week? Thank you.

TEACHING ASSISTANT VACANCY

We are currently advertising for a Teaching Assistant for Class 1 from September to cover Miss Mair's maternity leave. Please check on the school website or Devon Jobs site for further details.

YEAR 6

Our Year 6 pupils have had a busy week with Bikeability training and a visit to Putsborough for Junior Lifeguard training. We were complimented on how well the children behaved and also how they approached the Bikeability training with such enthusiasm; well done to all. We will report back on the Putsborough trip next week.
