

<p>Summer Term Week 2 – Year 1</p>	<p>East Anstey Home Learning suggestions – Please engage in as much or as little as you are able.</p>
<p>Hello! Keep in touch...</p>	<p>Class dojo – Mrs Yarney will be online every day to answer your questions – chat or look at what you have been doing and learning. Please try and contact us at least weekly so that we can check everyone is safe and well. Thank you.</p>
<p>Week 1 – <i>Reading continue</i></p>	<p>reading from school books or levelled online ebooks from Oxford Owls: Oxfordowl.co.uk/for-home/find-a-book/library-page/ A fantastic library of levelled books for your children to read. Filter by level and then letters and sounds phase: Reception = phase 2 or 3 Year one = phase 5 Year two = phase 5 and 6</p>
<p><i>Phonics Phase 5</i></p>	<p>Online: https://www.teachyourmonstertoread.com/accounts/sign_in You create a log in for your child and then work through the levels – the best thing is for all children to work through stage one: phase 2 phonics and then onto stage two and three. Older children will find the early stages easy but it will be good revision and then they will get onto the harder stages.</p> <ul style="list-style-type: none"> • https://www.bbc.co.uk/cbeebies/grownups/the-alphablocks-guide-to-phonics - Alphablocks videos - great for going over phonics • https://www.bbc.co.uk/cbeebies/shows/alphablocks
<p><i>spellings</i></p>	<p>– focus on Common Exception words - see attached list below– Children can learn these through : look cover write and check method</p> <ul style="list-style-type: none"> - Writing over and over in different colours (rainbow writing) - Writing in the air - Pyramid writing <ul style="list-style-type: none"> P Py Pyr Pyra Pyram Pyramid - Mr Whoops spellings <p>(see sheet below at bottom)</p>
<p><i>Writing</i></p>	<p>You might like to choose one of these writing ideas.</p>

Watch this Youtube clip of the story : *The 3 little wolves and the big bad pig.*

<https://www.youtube.com/watch?v=rZpYMLp1LdQ>

Try some of these ideas: *

Can you write an alternative version of a fairytale? Perhaps changing who is the good character and who is the bad character.

*Write a fairytale as a comic strip –

*Draw and label a character from a fairy tale

*Can you retell a fairytale using lego or small people? You could video it for me to watch. Perhaps you could make small puppets and act out the story.

* Draw a cover for the new story that you have made up. What will your new title be?

Maths

On line resources:

Well done to everybody who logged on last week. I can see how hard you are working.

<https://whiterosemaths.com/homelearning/year-1/>

There are several weeks worth of work here – a teaching video and a worksheet; **Please continue with Week 2. One activity per day.**

Mathletics: www.mathletics.com/uk - A good warm up website and place to practise skills – I can monitor progress from home and update work. If you have lost your child's login details let me know.

Maths

-If you can't access online resources or just want some

- **Counting in 10s** - get a pot of small objects – can you group them into 10s and find out how many you have.
- **Counting coins** – counting 10p coins – Make wallets of different amounts.
- **Skittles:** fill some empty bottles with water and write 10 on each bottle – stand back and knock them over – what is your score? What if you numbered them 10, 20, 30, 40 ...etc what is the highest score you can make?
- **Can you come up with your own counting in 10s game. I'd love to hear about it.**

other ideas!

- Can you make a 10s snake? How long can you make it? How high can you go?
- Could you write in different multiples? 2s, 5s, 3s?
- Send me a picture of your snakes.

- **Practise number bonds to 20 – addition and subtraction:**
Use things from home for counting (pasta, coins, lego, bricks etc) and practise adding and subtracting to 20. How fast can you go? Write 10 number sentences, then try them again and see if you can remember the answers.
- **Practise your 2x, 5x, 10x and 3x tables.**

Science

Plants

What are the parts of plants:

Watch the video – parts of a plant - Primary biology –bbc teach.

https://www.youtube.com/watch?v=bLhTgTwbYMI&list=PLcvEcrsF_9zLI1enZ2h4kF396AtH90d9F

- Can you draw a picture of a plant labelling the flower, leaf, stem and roots. Perhaps you could dig up a weed from the garden and see if you can find and identify all of the parts.
- Send me a photo or drawing of what you find.

If you have some seeds at home – see if you can grow them in a jar or clear bag.

You will need to keep the tissue moist –can you see the shoot come out of the seed? What about the roots? How long does it take for the leaves to grow?

Other ideas

- How many different kinds of leaves can you find around where you live? Only pick leaves with your parents permission. Can you make a leaf print picture, by painting the leaves and printing – use newspaper or recycled boxes if you don't have any paper.

- Draw or paint a really careful picture of a plant, either one that is in your house or one from outside. Can you really look at the shape of its leaves and flowers? Does it have any patterns on it? Remember to look, look, look – then draw what you see.

<p>PE – keeping fit</p>	<ul style="list-style-type: none"> • Take part in some online fitness: • Joe Wicks • Children’s Yoga • Just Dance : on youtube • Cbeebies Boogie Beebies https://www.bbc.co.uk/programmes/b006mvsc

Week 2 spelling practise sheet : Mr Whoops week 2 see below:

Spot Mr Whoops' Mistakes

Mr Whoops is a little bit clumsy...OK, OK, he's a lot clumsy! Even though he's really trying hard with his writing, he's still accidentally misspelt 14 of his Y1/Y2 common exception words. Can you spot his mistakes?

Highlight them in the passage of text.

Could you then correct the words at the bottom of the sheet and create a list for Mr. Whoops to practise?

Activity 2:

After schul, Msr Jones from down the road takes em and my frend to the park. I love to clime really high on the climbing frames with the other childrun. Once, a cheld didn't howld on like you shud so eh fell from the very top and all the way to the flur! His farthr had to take him to the doctors and sed he wasn't allowed to play outside for a howl week until his injured arm had healed.

Mr. Whoops needs to practise these words:
