

# Home Learning

Week 4 — Week beginning 4th May

(Group 3)

## Literacy

### Reading

Attached to this email will be a **reading comprehension activity** set at the level for your child. Read through the text giving support where needed. There are comprehension questions to answer, which your child can do in a jotter or verbally with an adult.

The answers are also provided so you can support your child in real time.

### Writing

Attached to this email will be your child's weekly **spelling list in a handwriting** format. We currently use these sheets at school to aid both the practice of the spelling but also the cursive handwriting style we model in school.

You can print this off for your child to complete or they can copy the words into a jotter to practice.

### SPAG (Spelling punctuation and grammar)

Attached is a **SPAG** activity mat. There are three levels (indicated by the stars) which you can choose to share with your child. The answers are also provided so you can support in real time when needed.

## Numeracy

Follow this link to **White Rose Maths** where there are a series of **five maths lessons** for your child. Every lesson comes with a **short video** showing you clearly and simply how to help your child to complete the activity successfully.

<https://whiterosemaths.com/homelearning/year-5/>

**Open (Summer term week 2 WC 27th April) — 'Adding decimals with the same number of decimal places'**

## Science

To further engage and inspire your child in the world of science each week they will have a science experiment they can try out at home with suggestions for further research.

**Lava Lamp**

## Foundation

<https://www.integra.co.uk/home-learning/music/>

I'd like your child to focus on their musical skills this week so check out this link:

- Classics for kids
- House of sound
- Monkey sing, monkey doh
- Music theory quizzes

## Physical Activities

To encourage your child to still go outdoors safely and experience sports **Primary Sports and Education** have put together a pack of activities.

Inside includes some Multi-Sports activities as well as some sport specific games also. All these games are cross curricular and will need to use their English, Maths, Science, Art skills as well as many more!

	Activities	Resources Required	Potential Risks	Impact
3	<p><b>Body Combat Fitness</b></p> <p><b>8 exercises - 60 seconds for each</b></p> <p>1 - <b>Jabs</b> - Wide base, side on and hands up and jab for 60 seconds</p> <p>2- <b>upper cuts and cross</b> - right foot forwards, hands up. Then the uppercuts so right, left and then right-hand cross for 60 seconds.</p> <p>Then you swap so left foot forwards and then left, right and left-hand cross for 60 seconds.</p> <p>3 - <b>jump kicks</b> - need to watch video below for reference</p> <p>4 - <b>side kick</b> - Video for reference</p> <p>5 - <b>lunge jab</b> - Lunge down and a quick jab using both hands one at a time - 60 seconds each</p> <p>6 - <b>wide base squat jumps</b> - Stand with your feet together and then jump up open your legs to the side a little wider than your shoulders and you come down into a squat. See how many you can do in 60 seconds</p> <p>7 - <b>one arm plank</b> - raise one arm up and bring it down and then do the same with the other hand for 60 seconds</p> <p>8 - <b>Sprint on the spot</b> - 60 seconds. Pumping the arms and legs as fast as you can</p>	<p>Comfy Clothes</p> <p>If indoor then you can do this bare foot</p> <p>Music to jab or step to the beat</p>	<p>Preferably this is to be played outside or in a large room so nothing can be knocked over or bang their hands-on furniture or walls or each other.</p>	<p>Posture</p> <p>Self-control</p> <p>Anger/stress release</p> <p>Stamina</p>
