

# Home Learning

Week 5 — Week beginning 11th May (Group 4)

## Literacy

### Reading

Attached to this email will be a **reading comprehension activity** set at the level for your child. Read through the text giving support where needed. There are comprehension questions to answer, which your child can do in a jotter or verbally with an adult.

The answers are also provided so you can support your child in real time.

### Writing

Attached to this email will be your child's weekly **spelling list in a handwriting** format. We currently use these sheets at school to aid both the practice of the spelling but also the cursive handwriting style we model in school.

You can print this off for your child to complete or they can copy the words into a jotter to practice.

### SPAG (Spelling punctuation and grammar)

Attached is a **SPAG** activity mat. There are three levels (indicated by the stars) which you can choose to share with your child. The answers are also provided so you can support in real time when needed.

## Numeracy

Follow this link to **White Rose Maths** where there are a series of **five maths lessons** for your child. Every lesson comes with a **short video** showing you clearly and simply how to help your child to complete the activity successfully.

<https://whiterosemaths.com/homelearning/year-6/>

Open (Summer term week 3 WC 4th May) — 'simplify fractions'

## Science

To further engage and inspire your child in the world of science each week they will have a science experiment they can try out at home with suggestions for further research.

**How to grow a rainbow**

## Foundation

<https://www.integra.co.uk/home-learning/religious-education/>

I'd like your child to focus on religious education (Ramadan) this week so check out this link;

- What is Ramadan?
- Have a go at making a Ramadan future family plans jar

## Physical Activities

To encourage your child to still go outdoors safely and experience sports **Primary Sports and Education** have put together a pack of activities.

Inside includes some Multi-Sports activities as well as some sport specific games also. All these games are cross curricular and will need to use their English, Maths, Science, Art skills as well as many more!

	Activities	Resources Required	Potential Risks	Impact
4	<p><b>Multi-Skills - 5 Balloon Games</b></p> <p><b>1 - Balloon Taps</b> - 2 balloons, one for each hand and you must throw the balloons in the air and make sure both stay off the floor by tapping them with your <b>hands only</b>.</p> <p><b>2 - Balloon Jump</b> - you must jump back and forth over the balloon as many times as you can for 30 seconds. <b>Try not to land on the balloon otherwise you may give mum or dad a freight!</b></p> <p><b>Progression</b> - add a second balloon and jump over the first and then the second balloon as fast as you can working you way back and forth over then balloons as fast as you can in 30 seconds.</p> <p><b>3 - Balloon balance</b> - How long can you balance the balloon on you head? <b>No cheating and making the balloon static before you try.</b></p> <p><b>4 - Memory/Mirror game</b> - You must perform a sequence of movements with the balloon for your partner to copy. It may be tap left foot, right foot, left and then right hand. Whoever an go the longest without making a mistake in the sequence wins!</p> <p><b>5- Balloon Maths-</b> write numbers 0-9 on each individual balloon and then give your child a maths question! For example, if you asked <math>6 \times 6 = 36</math> so I would need to find the 3 and 6 and put them together to make the answer as fast as I could.</p>	Balloons, Pillows	<p>Would be best for this to be played outside or in a large room</p> <p>Remove anything that can be knocked over or broken</p>	<p>Agility</p> <p>Balance</p> <p>Coordination</p> <p>Memory games</p> <p>Stamina</p> <p>Posture</p> <p>Composure</p> <p>Cross Curricular Maths</p>
