

UPDATE

WB: Monday 21st November 2016

TIM PEAKE PRIMARY SPACE PROJECT - TUESDAY 22 NOVEMBER

This was a fabulous day and the children had were fully immersed in their space projects. Several eggs were launched from the first floor window of the school in specially designed landers and two survived unscathed so well done to those groups. Thank you to the parents who came along to join in and we hope you enjoyed the day. More details and lots of photos are available on the blog (via the website) and on facebook.

INDOOR ATHLETICS AT SMCC

We are taking some of the children from the junior class to South Molton Community College on Mon 28th Nov for an athletics tournament with other schools in the learning community. Many thanks to the parents who have offered to help with transport .

BOOK FAIR

A reminder that our annual Book Fair begins next week from Tue 29th Nov to Fri 2nd Dec (lunchtimes all week and after school from Tue-Thu). We have a visit from KY Eden, author of the Redcroft Journals, on Tuesday 29th. She will be running workshops with the children during the afternoon and will also be at Book Fair after school with her books for sale and signing.

OPEN DAY

We are holding a family and community open day on Wednesday 30th November. The school will be open to the public all day. Normal lessons will run during the morning so this is a chance to see the school in action. From 2.30pm there will be an exhibition to celebrate the children's learning and we will be serving teas, coffees and cakes. We hope to see lots of you there and do please spread the word.

ANCIENT GREECE DAY

Our Ancient Greece day for years 2-6 is on Thursday 1st December with workshops and drama sessions led by local historian/storyteller, Steve Manning.

SCHOOL LUNCH CHANGE

A reminder that on Thursday 1st December we will be having a special Greek Meze lunch and the menu is printed again overpage. This will be a sharing platter so the children can sample a variety of dishes. Please note that this replaces the menu for that day although jacket potatoes will still be available if required.

SICKNESS BUG

Unfortunately we seem to have a sickness bug going around the school at the moment. Just a reminder that if your children are unwell, they should be kept off school for 48 hours following the last bout of sickness.

FUNDRAISING

Thank you to everyone who donated and/or made cakes for Children In Need. We raised a total of £86.10 for the charity and will be sending a cheque off shortly. We also raised in the region of £85 for the school through the sale of Christmas cards/ mugs etc. This proved very popular with families and was a great fundraiser and we hope everyone is pleased with the final result.
