THIS WEEK AT EAST ANSTEY

Thank you to the PTFA and Mr Gurney for organising the School Disco on Wednesday. We had almost a full turnout which was great. The Juniors enjoyed their 'India Day' on Thursday, sampling some Indian foods, doing Rangoli art with dyed rice and taking part in traditional dances - a lovely way to round off the topic. Finally we hope that all families enjoyed our Easter Assembly on Friday.

Thank you to everyone who cleared their accounts for the end of the financial year. We do have some accounts still outstanding and we would be grateful if these could be cleared as soon as possible - a reminder that payments can be made online at any time.

SOUTH MOLTON - THERE'S SOMETHING FOR THE WHOLE FAMILY

New Build Exhibition

Wednesday, 1st April 2015, 5pm-8pm, South Molton Community College

The Education Funding Agency will shortly be submitting a planning application for the construction of a new school at South Molton Community College as part of the Priority Schools Building Programme.

There will be an exhibition in the main hall at South Molton Community College on Wednesday, 1st April

between 5-8pm. You will be able to view the proposed site strategy, the positioning, and the aspect of the

buildings. Representatives from the Education Funding Agency and the School will be there to answer

questions.

The exhibition is open to all members of the public and SMC would be particularly interested in welcoming

parents with children at the community college and those with children who will be starting secondary school in

the next few years.
